

Bruno Pesantes Muirragui SENIOR ASSOCIATE

Bruno is a senior associate of the firm and focuses his practice on the Natural Resources sector, specializing in mining and oil & gas. He advises companies in all phases of the Oil & Gas industry in regulatory, environmental and their daily operations. He has been involved in prominent contract negotiations with the State and the Public Oil Company.

In mining, Bruno assists clients on the government authorization processes, as well as environmental, regulatory matters and project structuring, including the strategic and day-to-day advice.
