

## Kirina González Artigas Bustamante DIRECTOR

Kirina has more than 9 years of experience in the transactional field, she is specialized in corporate and transactional law, with vast experience in M&A, Project Finance and Antitrust Law. She advises key domestic and international clients on a wide variety of corporate matters, such as the acquisition of shares and assets, public tender offers, cross-border transactions and project finance operations with private and multilateral organizations. Kirina has participated in various of the largest M&A transactions in the country, advising clients in structuring deals, due diligence, contract drafting and negotiation, shareholder's agreements, among other corporate matters. With a background in both law and finance, Kirina has a thorough understanding of the transactional arena and has gained recognition from clients and peers as a key associate in corporate law.
