

Sergio Iván Illescas Guerra

ASSISTANT LAWYER

Sergio is a highly motivated and dedicated legal assistant specializing in the field of data protection and competition at Bustamante Fabara. With a solid academic background and experience, Sergio has demonstrated a great ability to assist both clients and lawyers in achieving their legal objectives.

During this time, he has gained valuable experience in legal research, analysis of laws and regulations, drafting legal documents, conflict resolution, teamwork, and due diligence for our clients. Sergio has also participated in courses and workshops on data protection and competition, allowing him to stay up to date with the latest developments in these areas of law.

Currently, Sergio is a law student at the Universidad San Francisco de Quito and is about to finish his degree and receive his law degree.
