

## Daniela Elizabeth Dávila Cisneros

### Assistant Labor Law Attorney

Graduate of the Universidad Central, she has a keen interest in various branches of law.

During her studies, she actively participated in projects that strengthened her teamwork, leadership, and organizational skills. Of particular note is her participation in the Youth and Dignity (UCE) project in 2022, which focused on promoting youth participation in electoral processes. She also collaborated on the logistics of the "Law, Disruption, and Sustainability: Beyond Social Paradigms" event in 2023, which broadened her perspective on contemporary legal issues, such as sustainability and innovation.

With a firm commitment to ethics and professionalism, her goal is to become a lawyer of integrity, with a practical approach and always seeking continuous improvement.
