

David Emilio Fernández Nicolalde

Assistant Attorney

David Fernández began his legal career at the age of eighteen, learning from the most basic tasks and eventually positioning himself as a legal assistant in the labor law area.

David Fernández carries out various research, management, and coordination activities with the intention of facilitating and expediting both judicial and administrative procedures.

With four years of experience in labor law, he has acquired extensive knowledge in Social Security and labor law matters, knowledge that he continues to strengthen while pursuing his law degree.
