

## Marina Vives Liñan

### Associate

Marina Vives is a lawyer with a solid professional background and experience in both Spain and Ecuador, which allows her to operate in both legal systems. Her career has developed around two main areas of law. On the one hand, she has notable experience in Corporate Law, particularly in matters such as M&A, Foreign Investment, Agricultural Financing, Competition, Litigation and Dispute Resolution, Corporate Restructuring, and Corporate Acts for both national and international clients. At the same time, Marina has experience in Environmental and Urban Planning Law. Her work in this area includes advising on environmental regulations, preparing due diligence reports, managing permits and licenses, and representing clients in administrative and judicial proceedings related to the environment.
