

Rafael Gabela Salvador

ASSOCIATE

Rafael Gabela is part of the Privacy and Personal Data Protection area at **BUSTAMANTE FABARA**. Rafael focuses his practice on data protection law. As a member of the **BUSTAMANTE FABARA** team, he has been involved in the implementation of data protection programs for companies in the insurance, prepaid medicine, retail, financial, banking, and automotive sectors.

In addition to his involvement in the implementation of these programs, Rafael has developed specific policies for data protection. His expertise includes providing advice on risk management and the prevention of information security breaches, as well as designing and implementing procedures to ensure the effective exercise of data subjects' rights.

Rafael has also collaborated with companies in various fields to conduct privacy audits aimed at assessing and improving regulatory compliance. In addition to his focus on data protection, Rafael has experience in new technologies law and economic criminal law.
