

Kirina González Artigas Bustamante DIRECTOR

Kirina has more than 9 years of experience in the transactional field and is specialized in corporate and transactional law, with extensive experience in M&A, Project Finance, and Antitrust Law. She advises key domestic and international clients on a wide variety of corporate matters, including the acquisition of shares and assets, public tender offers, cross-border transactions, and project finance operations with private and multilateral organizations. Kirina has participated in some of the largest M&A transactions in the country, advising clients on deal structuring, due diligence, contract drafting and negotiation, shareholder agreements, among other corporate matters. With a background in both law and finance, Kirina has a thorough understanding of the transactional landscape and has gained recognition from clients and peers as a key associate in corporate law.
