

Natalia Plúas

ASSISTANT ATTORNEY

Lawyer graduated from Universidad San Francisco de Quito, with a minor in International Relations and training in civil, administrative, and family law. Her professional trajectory has been characterized by solid participation in legal research, legislative drafting, and the preparation of procedural documents, both in the legislative sphere and in legal practice.

With a strong commitment to responsibility and legal rigor, her objective is to consolidate herself as an ethical professional with an international approach to law, oriented toward excellence and the development of a more humane legal practice.
