Camila Coloma Gaibor
Associate

Camila Coloma is a highly qualified attorney with a background from Universidad San Francisco de Quito and specializations in Procedural Law, Corporate Legal Advisory, and Administrative Law. With over five years of experience, she focuses on comprehensive legal advisory services within the insurance sector, covering claims management, reinsurer registration, and consultancy in commercialization, product structuring, and dispute resolution.

In the corporate and commercial field, she possesses extensive expertise in highly complex corporate processes and has been closely involved in mergers, liquidation, corporate dissolution, foreign company domiciliation, and due diligence processes. Her multidisciplinary knowledge enables her to provide strategic advisory services, aligning legal frameworks with her clients' commercial needs, fostering their growth, and optimizing their market presence.
